

# THE DARC PACKET

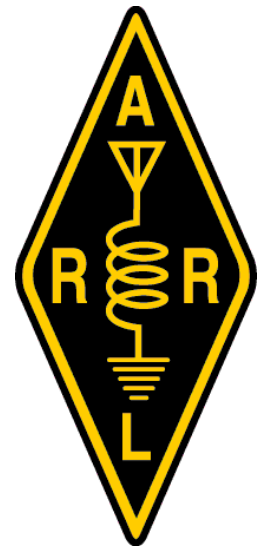

**November 15, 2018**

**Hello everyone,** This is Zach, KEOKED with the newsletter. Winter is definitely here, with cold weather and even a touch of snow. Time to stay inside where it's warm and play on the radio!

## CLUB NEWS

- Elections: Congratulations to David, KD0WWT, our new club president. Zach, KEOKED was elected secretary. (Guess you'll have to keep reading these newsletters! ;))
- Membership dues, \$25 are due by the end of the year. John, N9NLC will accept your dues.
- We voted to approve expenses including webhosting as well as our annual Forest Service charge for the Eagle Pass repeater.
- Thanks to Paul, W0EZN, for a demonstration on his "old school" "chopper", infrared sensor, dummy load, and sealed relay! We are hoping to have some kind of instructional demonstration at each of our meetings. If you would be interested in putting on a presentation, please contact John, N9NLC at [darc.treasurer@gmail.com](mailto:darc.treasurer@gmail.com)
- We had a couple of drop-ins at this month's meeting. David Torres has a GMRS repeater on Missionary Ridge that he invited us to check out. The info: 462.575 PL in: 88.5, PL out: 100.0. If you would like more info on GMRS: [GMRS Wikipedia](https://en.wikipedia.org/wiki/GMRS)
