Renaming the club. The board would like to see if there is any interest in renaming our club as we transition to the 501(c)(3) platform. The goal would be to make the club more inclusive for members of a wider area instead of just Durango. Expect to see a vote at the next club meeting on whether or not you would like to see the name changed.

Some ideas on new names: Darc, SW Colorado Amateur Radio Club, etc etc.
