Discussion regarding the need for a trip to Eagle Pass relatively soon to remedy the broken wind generator and other housekeeping tasks.

Jess, W5SXB: Ironhorse Bicycle Classic still needs at least one more volunteer for the station between Molas and Silverton known as Downhill 2. Also, don't forget to send Jess your T-shirt size if you are already volunteering.

Steve Blaylock, N0HGV: Hardrock 100 could still use some more volunteers, especially for the Burrows station.

19:40- Jeff, NX1V is proposing we get together for an informal BBQ/hangout. If you are interested or would like to host, please don't hesitate to send an email to the club.

Jess, W5SXB would like us to consider an informal club station event, perhaps around Fire prevention week in October.
